Can you tell me the location on the share drive? We only have access to share2.

Thanks,

Sharon:

The records I have for the AR are posted on the share directory. If you have the AR ready by the end of the month that should be fine. If you can get it done sooner, that would be even better.

Good Morning Gary and Jo,

Dwayne Patrick has tasked us to assist with the CES Environmental Services, Inc. Administrative Record. Can you provide a due date for the AR? Please keep in mind we request ten working days after the last document for the AR has been submitted to be processed into SEMS in order to complete and finalize the collection. Please let us know if you have any questions or concerns.

Thanks,

Sharon Martin
